

SATIS-Screen4All 2019 Awards: public votes are open!

Paris, October 22, 2019 – The 2019 Satis-Screen4ALL Awards, which will be the sixth edition, highlight innovative products and services that can be found on the exhibitors' stands during the two-day event. These Awards, organized in partnership with Mediakwest magazine, represent an opportunity for end-users to express their "favorites" for industry innovations. The competition awards 2 Public Awards in each of the 4 categories (Production & Shooting / Postproduction / Broadcasting & Distribution / Services) in addition to Mediakwest's editorial awards...

Internet users choose the solutions that seem best suited to their needs or their vision of the industry by voting online... This year, the competition will be fierce as **no fewer than 55 products and services are in the running in the 4 categories!**

The 55 products and services of the competition:

*** About Génération Numérique**

Founded in 2014, Génération Numérique is a 360 agency which offers information services to professionals in the film, television and new media industries. The company publishes two BtoB magazines: Mediakwest and Sonovision. To strengthen this information ecosystem, Génération Numérique acquired the SATIS and merged the tradeshow with Screen4ALL, the Forum for Innovative Technologies for Film, Television and New Media. Génération Numérique was born from the passion of its founders for creation and innovation and the will to share with the progress of an audiovisual ecosystem in constant evolution.

**** Screen4All is organized with the support of the Seine-Saint-Denis district, the Plaine Commune area, The CNC and the Pole Media Grand Paris.**
